## **One-Year Limited Warranty on Quartz Countertops**

ASCH Fixtures and Millwork warrants to original purchaser for a period of one year from the original date of purchase that all components of ASCH shall be free from defects in material and *a one-year warranty for workmanship* under normal use. This warranty is only applicable to products used in standard North American residential applications and is not transferable. Should defects in material or workmanship exist during the applicable warranty period in any of ASCH's product, ASCH will elect at its discretion to either repair or replace the defective material or component free of charge. This warranty covers only parts and materials of the products supplied by ASCH. Not covered under this warranty are cabinets, appliances, plumbing fixtures, etc. This warranty shall become void if the countertops are in any way modified from their original order specifications after installation. This limited warranty applies only in the case of the standard residential application in the United States and is void for all other applications.

Furthermore, this warranty will not apply to countertops damaged by misuse, neglect, abuse, acts of God, exposure to extreme temperatures, the effects of normal wear and tear or exposure to harsh chemicals which include, but are not limited to the following: alcohol, chlorine (bleach), oven cleaners, Comet® , abrasive Soft Scrub® products, SOS® , products with pumice, batteries, paint removers, acetone, nail polish remover, furniture strippers, oils, tarnish, silver cleaners, or the like. Exposure to UV light can cause "chalking" of the color over an extended period of time. This is a natural occurrence of quartz, which is an engineered material. Any additional UV light protection on adjacent windows is recommended to prevent this from occurring. Characteristics developing from the materials relative to its environment is not covered under ASCH 1-year limited warranty.

ASCH reserves the right to alter designs, specifications, and materials, and will periodically do so, as conditions require and improvements are developed, without obligation to make similar changes to products previously manufactured. The repair(s) or replacement(s) are contingent upon the current product offerings of styles and fabrication options within the ASCH Product Line at the time of the warranty claim. If a warranty claim is filed after a product has become obsolete, or has undergone design, specification, or material changes, we reserve the right to honor the warranty in one of the following manners:

1. To replace the affected component with a new component of the same style.
2. OR any affected component to achieve a uniform appearance with a comparable product style.

This warranty applies only to products manufactured or supplied by ASCH. Any interpretation herein other than written is unwarranted. This warranty applies only to products used in residential applications within the United States and is not transferable to subsequent owners. This warranty supersedes all previous warranties from date of issuance. This warranty constitutes the exclusive remedy against ASCH for alleged defects in materials and workmanship. This warranty gives you specific legal rights and you may have other rights, which vary from state to state. Some states do not allow the exclusion or limitation of incidental or consequential damages, so the above limitations or exclusions may not apply to you.
